LEGION LADIES THANKFUL

The American Legion Auxiliary takes this means of thanking the people of Torrance and vicinity who so readily responded to their call for clothes, sweets, etc. for the ex-service men at Sawtelle. A great supply of clothes, quite a few jars of sweets, jams, jellies, etc. and \$10 in cash was received by the women at whose homes the things were left. The members of the Auxiliary will gather in the afternoons until the clothes are all repaired, where needed, and then take them to the Soldiers' Home. Mrs. J. W. Post, president of the local American Legion Auxiliary, can be notified at any time at her home on Post avenue, when you have anything you wish to send to the hospital. Discarded baseballs and out of door games of any kind, magazines, Victrola records, etc.

MARGARET REES,
Secretary.

**Fess Grocery
Opens New Store
Monday Morning
Moving From Old Location
After Business Hours Saturday**

The patrons of the Fess grocery will be supplied with their grocery and meat needs at the new location in the Masonic building, on Sartori avenue, beginning Monday morning, April 16.

The new quarters to be occupied by this popular grocery is sufficiently large to accommodate its growth which has been very pleasing to its proprietor, Mr. Fess. An entire new stock will be added and Mr. Fess states that he has employed a thorough meat man for the meat department, which will be made a feature of the business. Carpenters and painters are kept continually busy in order that the new room will be ready by Monday but they all assured Mr. Fess that it would be ready in time for the opening.

NEW CHEVROLET SPORT

The new sport model Chevrolet has arrived in Torrance and is being displayed by Boyd Walker, local salesman for the Night and Day Garage, the home of the Chevrolet agency in this city.

Mr. Walker has the car all dolled up and it is a very nifty looking model. Jack Hanson, local manager of the Chevrolet agency in Torrance, states that he can deliver a sport model in a very short time but advises those who want one to hurry in and give the order.

**SECRETARY
GADEKY AT
ONTARIO
Last Saturday Fifty
Commercial Secretaries Meet**

Fifty commercial secretaries from all over Southern California were guests Saturday of the Ontario Chamber of Commerce, at the regular monthly meeting of the Commercial Secretarial Association of Southern California.

The guests were taken on an inspection trip through the Edison Electric Appliance Factory. Following this trip, through the courtesy of the Pacific Electric Railway, the secretaries were taken on a special car to San Antonio Heights, a luncheon was given in the model flat of the new domestic science building at Chaffey high school, being cooked and served by members of that department, under the supervision of Miss Lillian Graves.

Just before the luncheon, H. E. Swain, president of the Ontario Chamber, welcomed the secretaries. Lynn Ballard, president of the Secretarial Association, was chairman of the occasion and soon after the beginning of the meal introduced Frederic Trunkfield, tenor, who delighted the guests with several vocal solos. He was accompanied by Miss Edythe Strickling. At the beginning of the business meeting and program, Mayor W. B. Ball of Ontario welcomed the guests.

The speaker of the day was James G. Gibbons, employment representative of the United States Veterans' Bureau for the Twelfth District, which includes California, Arizona and Nevada.

Mr. Gibbons spoke of the necessity of differentiating between veterans and disabled veterans. In part he said:

"This country, we believe, wants to indemnify men who suffered a real loss, or widows who lost the support of a son, or dependent orphans, left to struggle alone."

Another speaker on the program was H. C. Bourne, who spoke of the Monroe Doctrine centennial show which the allied motion picture industry will put on from July 2 to August 4. This is to be the first of five annual motion picture shows, which will review history from the foundation of America to the present day. The one this year will include the discovery of America by Columbus, and events up to the signing of the Declaration of Independence.

Chambers of commerce of cities in Southern California have been invited to participate in the exposition and it is said that many of them favor the idea, in that the films depicting the exhibition will be ones which will be worthy of being used in the schools and universities, and in theatres as educational material.

LEGION AUXILIARY DANCE

Final arrangements have been made by the American Legion Auxiliary for the "Spring Dance" to be given in Legion Hall, Saturday evening, April 14. The usual program of good music, pleasant surprises, pretty favors and serpentine waltzes are all planned.

The music this time will be furnished by the Herman's Orchestra, from Los Angeles. As usual, no tickets will be priced, but admission at the door will be \$1 per couple, and 25 cents for extra.

**SULPHUR IS BEST
TO CLEAR UP UGLY,
BROKEN OUT SKIN**

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Mentho-Sulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment or disfigurement. A little jar of Rowles Mentho-Sulphur may be obtained at any drug store. It is used like cold cream.
